

## I-91 Southbound (from Boston, Springfield, or Albany)

- 1 Take CT Exit 47W (Route 190 / Suffield).
- 2 Merge onto 190, heading west. Follow 190 over the bridge to a set of traffic lights.
- 3 Turn right at the lights, following 190.
- 4 At the next traffic light, turn left, following 190.
- 5 190 intersects Mapleton; bear left at the yield/stop sign. Follow 190 (Mapleton) to its junction with 75.
- 6 At the intersection with 75, turn left onto 75 South.
- 7 Day Ave is just under a mile from the junction, on the left. You'll see a sign that says **75** on it at what appears to be a fork in the road, at the start of the Suffield Academy Green (see inset). If you miss the sign and come to a traffic light, you've gone too far. Our house is on the left at the end of the straight portion of Day Ave (it turns sharply to the left after our house). The house is a small, white, two-story house.
